CENTRALLY LOCATED

CURRENTLY UNDER APPLICATION. NO FURTHER INSPECTIONS.

This Western red cedar home has been freshly painted and has easy to care for floating floors in the living areas. Originally 3 bedrooms, all with BIRs, now the rumpus room or 2nd living space has been converted to a 4th bedroom, making this a good-sized home for a family. The kitchen has electric cooking, ample bench and cupboard space and an adjoining dining area. All year-round comfort is provided by a reverse cycle split system and complimented by a gas heater for those colder periods. There is a covered verandah at the front to sit and enjoy the view and at the rear a flat yard area. With a bitumen driveway access to the carport and single garage is easy. Positioned perfectly to take in the mountain views and located within walking distance to the town centre and across the road from the Yarra River makes this a sought-after location.
