cycle air conditioners and evaporative cooling system. This home ticks the box for all heating and cooling solutions to provide comfort throughout the year. The master bedroom, featuring a bay window and double doors, adds a touch of grandeur and natural light. Within you'll find dual robes with built in robe and a fully fitted walk in robe leading into the en suite boasting a luxurious double shower.

The interior seamlessly connects to the outdoors through double glass sliding doors, leading to a covered alfresco decking area, perfect for entertaining and admiring the manicured lawns. There's also an undercover BBQ area for outdoor dining and relaxation through the warmer months.

Your vehicles are well accommodated with remote controlled double lock-up garage. The dual driveways are fully bitumen sealed with rear access to the 6x9m Colorbond shed with concrete base and power. There is also ample water storage totalling 74,000L. Best of all, this property is not only beautiful but also environmentally conscious, boasting a 6kW solar panel system, which can significantly reduce energy costs.

In conclusion, this quality property in Kinglake West offers a harmonious blend of modern living and natural beauty. Its serene location and thoughtfully designed features make it a true sanctuary. Don't miss the opportunity to make this exceptional property your new home. Contact us today to arrange a viewing and take the first step toward experiencing the best of Kinglake West living.
