the home. The convenience of modern living is further enhanced by a large laundry with access to the double carport. Other standout features of this home are the double-glazed windows, built in robes to all bedrooms, 12 panel solar system and LED lighting.

For those in search of extra space, there's a separate bungalow studio and workshop area. This versatile space comes complete with bathroom facility, kitchenette, split system and pot belly, making it ideal for guests, extended family, or as a home office/music studio. To accommodate vehicles, there's a double tandem carport with a concrete base, with additional wood storage area right next to the house.

Step outside and you'll discover the charm of the outdoors with landscaped gardens and a dedicated chicken coop. The property includes a variety of orchard trees, with Fuji apples among the delightful offerings. This Kinglake property is more than just a home; it's a lifestyle. The combination of modern features, serene surroundings, and a touch of rural charm creates a unique and inviting space for you and your family.
