Additionally there is a 4.5kva solar system.

Another asset is the 8 m x 5 m covered entertaining pergola with cafe blinds, fully concreted with character trusses and Cyprus Gold posts. There is plenty of open car parking, along with a 2-car carport and fully concreted drive, as well as a courtyard with enough room for a 6 m x 6 m shed. In addition there is a 3 m x 3 m lockable garden shed.

The outdoor area is easy to maintain, with level access and a flat backyard. A beautiful feature of this property is its ornamental vine which keeps the house cool in the summer and retains heat in the winter. There are established nectarines, lemons, figs, oranges, pears, mandarins, tomatoes and strawberries.

This property is close by the best that Yarra Glen has to offer: Yarra Glen Primary School and McKenzie Reserve are a short walk away. Main street services are only a few hundred metres stroll. All this, and you can still enjoy the privacy of a court address, and views of the Great Dividing Range.

So if you are looking for the perfect combination location and design, 2 Miriam Drive is the property for you.
