Extended Family Living Options

Add together a 3 bedroom and 1 bathroom home with a 2 bedroom and 1 bathroom dependant persons unit and you have multi living options available to you. Family set ups are different, as too are needs, so this could be ideal to meet your requirements.

The main house is light and bright with features such as gas ducted heating, a reverse cycle split system, solar panels and a great rear verandah to make the most of the valley views that unfold beyond. It would be so easy to sit back and enjoy the vista and forget about the world!

The unit has a modern open plan design with the living and kitchen area in the centre of the home, bedrooms off to each side plus a combined laundry bathroom. Like the main house this too has a reverse cycle split system and a gas heater.

The block, approx. 616sqm in size, has been tiered to make the
