Outside the property is entertaining plus: let your furry friends run in the backyard, have mates over for a beer and a game of pool in the cold of winter, entertain friends and family on the decking in the summer. There is so much joy to come out of living at 15 Hazford Street.

The concrete-based shed is a particular favourite, a multi-functional space with a work station in the corner and massive man-cave (or "dame's den") potential – complete with built-in bar and pot belly wood heater.

This is an awesome soft landing for any young buyer looking to enter the Healesville market before it booms. Get in while you can.
