3 LOT SUBDIVISION ON 3.5 ACRES (APPROX)

This property is a real-life philosopher's stone.

Scenario 1: Proceed with the approved 2 lot subdivision. Build on the second lot while maintaining the warm and inviting 3 bedroom home as a rental investment.

Scenario 2: Millar Merrigan land consultants have provided drafts for a third subdivision. Act on this second phase once the above home has been completed to maximise returns.

Or Scenario 3: Decide to live on the acreage which has been thoughtfully fenced into 4 paddocks with 40 m x 18 m riding arena, stables and round yard. Agist, rent or pasture your own animals in view of beautiful Mount Toolebewong.

This property promises serious returns on investment, with town planning approval already in place.
