modern standard with a hint of rustic character, equipped with top-of-the-line Bosch appliances, including double ovens and a microwave oven, and a custom made timber bench and all purpose meals table. The open-plan living areas are accentuated by high ceilings, timber floors, double glazed windows, and LED lighting, creating a warm and inviting atmosphere. The rumpus room is soundproofed, making it an ideal space for a home theatre, music room or kids retreat.

You will appreciate the expansive grounds, flowering gums, manicured lawns and dam at the rear. Ample car accommodation comprises a near 6.5x10m garage and workshop with remote control, a 6x8m high clearance open shed for caravan and boat storage, and an enviable 5x9m man cave shed known as "The Mill", complete with speak easy bar and wood heater. Access is also a breeze with a circular concrete driveway with double access. The property overlooks the rear back and North Easterly views of the Ranges, giving that sense of privacy and escape.

Additional features include reverse cycle air conditioning, ambient wood heating and existing slab floor heating. With sustainability in mind the property comes complete with a 16-panel solar system, ensuring energy efficiency throughout the year, as well as 3 phase power. The property also includes ample wood storage and large fox proof chicken coop with automatic watering.

This is truly a flagship property on the market this Spring and deserves your attention. Book your private inspection today.
