

8 Park Road, Warburton

North facing, Disability friendly & a 5 minute walk to town

A wheelchair accessible home with a walk in shower and an independent living area downstairs (again accessible via a sealed path – no steps).

Sit on the verandah and enjoy the sun. Use the small office to communicate with the world and have friends visit downstairs. There is a good shed for an artist/potter to use at the rear of the property. Raised garden beds are in use. A large water tank minimizes water rates.

Enjoy central heating, reverse cycle heating and cooling and a wood fire when the mood suits. Extra insulation and solar have been installed.

The large bathroom with skylight and good wheelchair access also has an Asian (squat) toilet available.

A wheelchair friendly home so close to the main street is ready to welcome everyone who values a great location and a warm friendly 2 bedroom home.

A perfect location for mountain bikers wanting to enjoy the new Mountain Bike Tracks in Warburton.
