

1 Barton Avenue, Marysville

SPACIOUS LIVING INSIDE AND OUT

Utility, durability and beauty are the three most important considerations when buying any home. I am pleased to present you with 1 Barton Avenue; this beautiful home, making use of approx. 1500 sqm on a corner block, receives full marks on all three.

Utility:

- + 3 bedrooms (with walk-through robe to master)
- + Main bathroom, powder room and en suite bathroom
- + Dual access to 2 bedrooms and 3 expansive living spaces

The living spaces are this home's best asset. There is an open plan loungeroom which flows from the freshly renovated kitchen, a formal lounge, and the "music room", a well-apportioned multi-use space with its own external access. This versatility allows the home to be self-contained for work, family or guests.
