double vanity.

A Nectre wood heater adds warmth throughout, while a separate laundry and toilet provide added convenience.

Step outside onto the decking, surrounded by established trees and gardens, where you'll find a peaceful sanctuary.

The secondary living space is housed in a unique shed, complete with straw bale walls, double-glazed windows, and a wood heater for comfort. This 1-bedroom, 1-bathroom space includes a kitchenette, dishwasher, induction cooktop, and a 600mm oven, offering flexibility as a guest retreat or additional living area. The slab is fitted with hydronic underfloor heating, and the property is powered by a 5kW solar system, reducing energy costs.

Outside, the property truly shines. A workshop with power and a roller door is perfect for DIY projects or storage. The circular driveway leads to a greenhouse with a spa. With a mix of cleared and bushland, there's privacy and natural beauty at every turn. A thriving vegetable garden and over 50,000L of water storage capacity (across 6 tanks) ensures sustainability. A charming pond and a wood shed complete the outdoor living experience.

Additionally, a tiny house serves as a perfect cabin-like retreat or studio. Built using milled wood from the property itself, it features a large window with breathtaking mountain views. With power and a roof-mounted hot water system, this tiny house is as functional as it is charming.

Whether you're looking for a peaceful retreat, a self-sustaining lifestyle, or a home with room to grow, this property offers endless possibilities.
