

Serenity Among the Trees

Sunsets, Tree Ferns & Total Tranquillity

Tucked away in the lush, leafy heart of Kinglake, this home blends modern country comfort with serene forest living.

This builder's own home sits on 3,035m² of fully fenced land, surrounded by towering gums, vibrant tree ferns, and the gentle sounds of local birdlife.

It's a peaceful haven where every sunset is a showstopper, best enjoyed from the rear deck with a glass in hand and the treetops glowing in golden light.

From the moment you arrive, calm sets in. Kangaroos wander through the undergrowth at dawn, while rosellas and king parrots call from above.

Here, nature isn't just a view – it's part of daily life.
