UNDER APPLICATION - Spacious 3-Bedroom Family Home with Big Backyard & Decking

Set on over 1400sqm, this architecturally designed home combines space, character and comfort with a unique floor plan and striking high ceilings. Featuring three bedrooms with built-in robes, including a master with private ensuite, it offers a functional yet stylish layout that's ideal for couples or young families. A large laundry and plenty of storage add practicality, while exposed beams, hardwood flooring and light-filled living zones bring warmth and charm. Ducted heating and a split system in the living area ensure year-round comfort.

The outdoor spaces are just as impressive. A large, secure backyard with an electronic gate provides peace of mind for families and a safe haven for pets. Easy-care gardens frame the expansive yard, offering plenty of room for children to play or weekend projects. The rear deck is a true highlight, designed for entertaining or simply enjoying the leafy surrounds. Two concrete-based tool sheds add further convenience, with one
