3/3 Crowley Road, Healesville

Surrounded by Space

Often units feel like they have been crammed onto a block of land but that is not the case with this one. While the overall size of the area is more than $\frac{3}{4}$ of an acre and as there are only 4 units it leaves lots of common area and room to enjoy the grassed setting that envelops it.

This 2-bedroom brick veneer unit has been modernised over time and now has a renovated kitchen and bathroom. The open plan layout, floorboards and a reverse cycle split system make for an easy living. You will also find a single carport attached along with a small storage shed.

Location is ideal just a few moments' walk to a bus stop and convenience store. For those who want a little more exercise the primary school and shops are not too far away.

Make some time and come to inspect this well loved and cared for home and you will not be disappointed.
