Renovate, Refresh & Reap the Rewards

Opportunities like this don't come along every day.

Set on approximately 8,104sqm (2 acres) in a peaceful Kinglake setting, this is the perfect property for buyers with vision who are ready to roll up their sleeves and create something special.

The existing home offers a generous floorplan with an expansive open-plan kitchen, dining and living area, two bedrooms, a walk-in robe to the master, central bathroom and separate laundry. While the home is ready for a new chapter and would benefit from renovation, it provides an excellent foundation to transform into a comfortable country retreat.

Outside, the land is the true standout. Surrounded by established trees and natural beauty, the sprawling 2-acre allotment provides plenty of room to enjoy a relaxed rural lifestyle, establish gardens, create additional outdoor living spaces or simply appreciate the privacy and space that acreage living provides.
