plenty of room for everyday family living and entertaining.

Comfort is taken care of year-round with ducted heating and evaporative cooling.

Adding even more versatility is a converted studio space, created from part of the garage and finished with sliding doors. This additional area would be ideal as a home office, hobby room, creative space or additional retreat.

Outside, the established gardens create a beautiful setting around the home, while the full-length front verandah is the perfect place to sit back and take in the surrounding views.
