for additional uses. There is a large orchard with an array of fruit trees and fully enclosed greenhouse and vegetable patches with automatic watering systems. The entertainment options are second to none, with solar heated pool, a large merbau decking and patio with pizza oven.

Shedding and car accommodation deserves an honorable mention, comprising an 8x15m shed divided into 3 sections. The first section is a double lockup garage housing cars and gym, next is the sound proof recording studio complete with toilet, kitchen and bedroom, and the remainder is utilized for machinery storage. There are a further 3 storage sheds on the side with carport and rear access. A big bonus is the brand new 14kw 35 panel micro inverter solar system with Tesla battery backup connected to mains power. Other features include brass sprinkler systems with pump station, a 2Ml pumping right from the Mountain Creek, 1 dam, and 110,000L of water storage.

The land has a beautiful undulation with approx. 4.5 acres on title plus river reserve land totalling approx. 10 acres. There is a fully fenced rear paddock with loose box, and a large chicken coop with run and a fully netted orchard. Exploring the property there are scenic BBQ picnic areas with seating and along the Mountain Creek, a beautiful outlook over the National Park, and a track leading to the Yea River. You'll experience an abundance of wildlife on the property with mature trees over 300 years old. A must see property, put this on your shortlist and book in your private inspection today.
